What's New at Cordoza's?

The month of February will see several new services and products introduced at Cordoza's Deli.

In a hurry for breakfast or lunch? Right by the checkout counter, you'll find Cordoza's new EXPRESS case, filled with fresh items that are ready-to-go. Choose from fresh-made green salads, house-made side salads, sandwiches, yogurt parfaits, fresh orange juice, and whole fruit -- all priced, packaged, and ready to go to meet your hectic schedule!

A new item in the hot case is the breakfast "Expresswich" -- bacon or ham, egg, and cheese on a toasted English Muffin. It's a ready-to-go, smaller version of Cordoza's made-to-order breakfast sandwich, and it's priced at only \$3.50. Try it with a cup of delicious coffee for just \$1.25, including free refills.

Another new item is the Low Carb Wrap -- two ounces of lean turkey, dijon mustard, pickles, peppers, onions, tomato, and lettuce wrapped in a low carb wheat tortilla, and all for just \$5.75. It will help you get started on a healthy New Year!

Just in time for the Super Bowl, Cordoza's now has party platters featuring enough tasty offerings to feed your whole team.

Visit Cordoza's Deli and Cafe at 25 Petaluma Blvd South, or call ahead to order at 707.765.2138.
