

TRAVEL

Sail away to the rivers of Europe with Burt Wolf

KRCCB and Burt Wolf invite you to join in a wonderful adventure: cruise on one of the world's most luxurious river boats and support your local public broadcasting station in a rare and truly delightful way! The 2010 European River Cruises offer a unique opportunity for a limited number of people

to travel with Burt Wolf this summer, see the sights and visit the places where the television series, Burt Wolf Travels & Traditions, is filmed.

Cruise down famed rivers through some of the most beautiful countryside in the world. Cruise on the Rhine River through France, Germany and Holland with stops in Amsterdam, Cologne, Rudesheim, Heidelberg, and Strasbourg. Start in Paris

with stops in Arles, (the capital of Provence), Avignon, and Burgundy with a finish in Nice on the French Riviera. Choose a Danube cruise that begins in Prague and goes on to Nuremberg, Regensburg, and Passau, with stops in Salzburg, the great monastery in Melk, and Vienna.

Packed with special events, historical sights, and wine and food tastings, these experiences wouldn't normally be available, but for the supporters of Public Television & Radio, it's all possible! River travel is a hassle-free, worry-free way to see the world. You unpack just once and then relax, as you're off to the good times that each river cruise trip offers.

Book your cruise now and reserve your place! To book your cruise or learn more about the 2010 European River Cruises, contact Burt Wolf Tours &

Cruises LLC at 888.365.3443 or on their website at burtwolf.com. Find out how you can jump on board with other KRCCB members and fellow travelers for a trip to remember!
